1.0 Tax Table Change Effective 01 January 2026

The Angola State Budget, submitted to parliament on 31 October 2025, has been promulgated and published in the Diário da República.

Key Changes:

- The Personal Income Tax (PIT) exemption on employment income has increased from Kz 100 000.00 to Kz 150 000.00.
- Employment income up to Kz 150 000.00 is now tax-free.
- All subsequent tax brackets have been adjusted to start from the new threshold.

Note:

The Angola tax calculation applies a monthly tax calculation and therefore no corrections for previous periods will be applied, e.g., if you import the updated tax file only in February or later, then no automatic tax recalculation will take place for January.

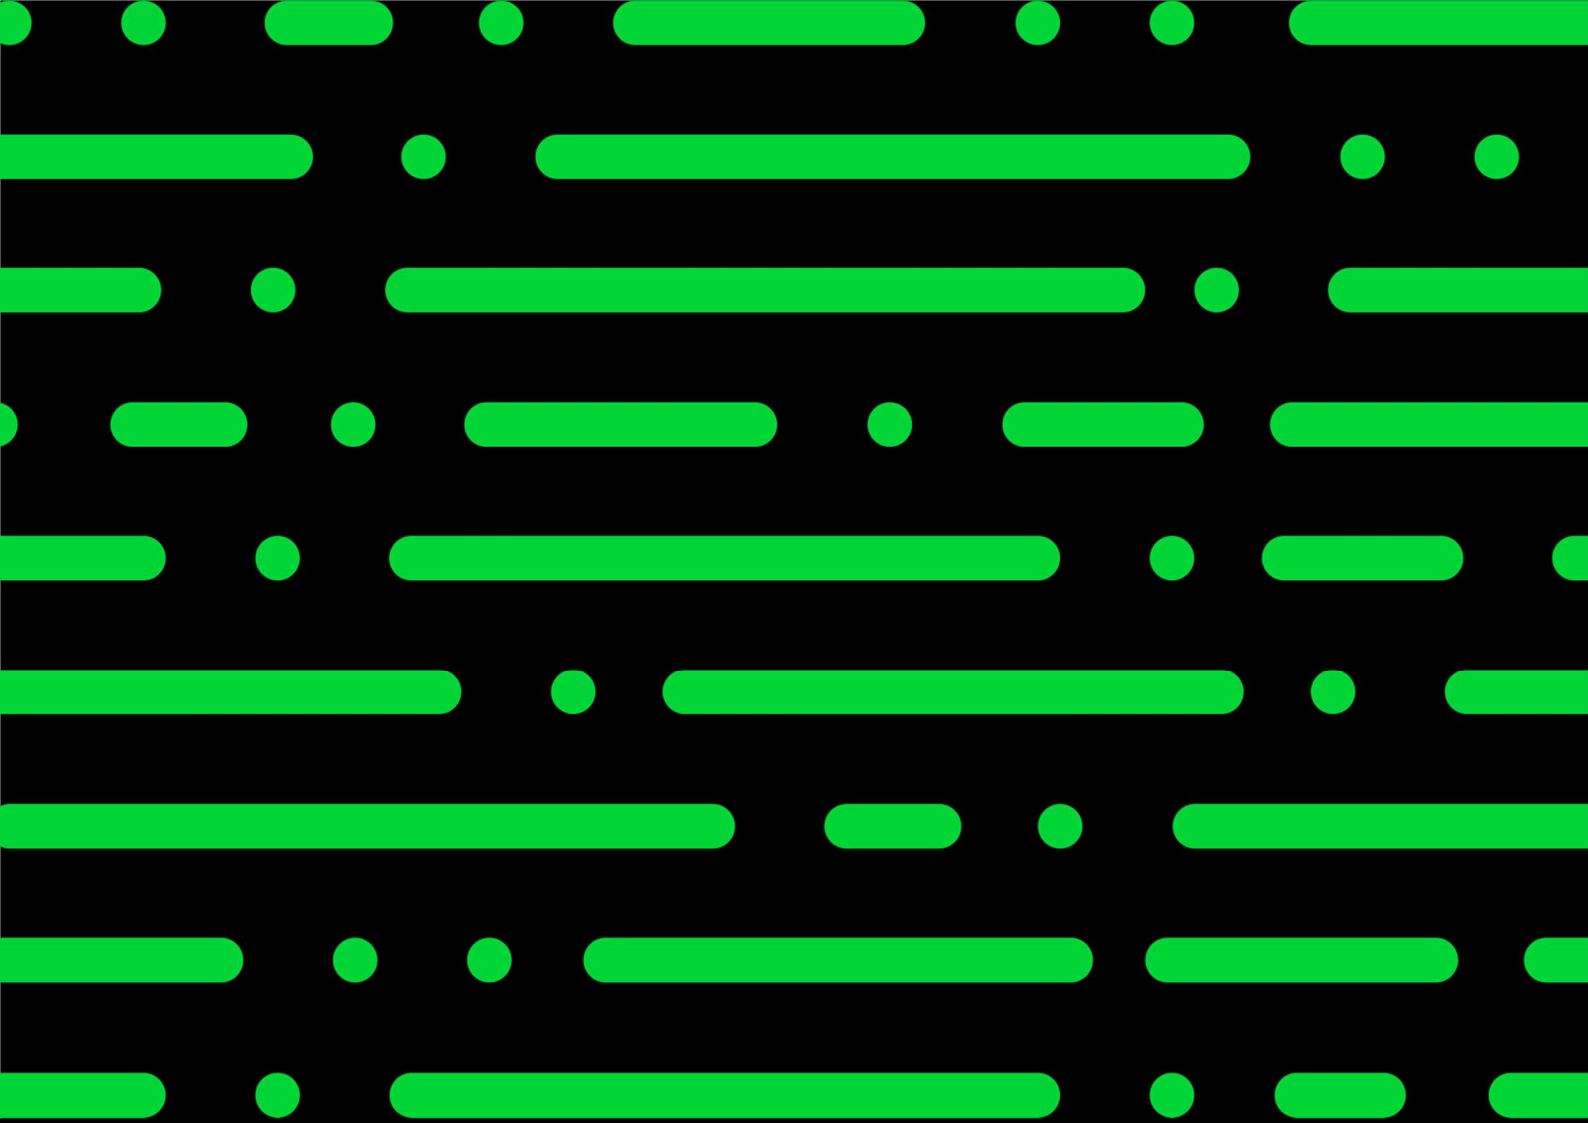

2.0 Apply Angola Changes

Import the new Angola generic tax file to apply the latest tax tables for the 2026 tax year.

Note:

Before importing the new AGO-GenericTax.xml file please ensure that the Sage 300 People application is updated to at least version 25.1.3.0.

The file must be imported before doing any payroll processing, printing payslips or reports or making any payments. Do a recalculation of all Angola Company Rules.
